

Coronavirus Update for Prince of Peace (Sent in email on 3/20/2020)-Also look below this box for previous important messages from the church.

Greetings everyone again from Pastor Chris,

I am sorry to blow up your email, but lots of things to report.

1. As of right now, we are still planning on holding those 30 minute worship sessions on Saturday and Sunday, but I did just get off the phone with the member of our church who is the head of nursing at the hospital. She didn't want to tell me what to do, but she did have strong suggestions and updates. For one, the hospital in Racine is going to a no visitor, except in emergency policy, as of tonight. It means by all means you can go to the hospital if you have need, but they will be adhering to a strict visitor policy of patients.

They do not have any positive cases at their hospital right now, but they are preparing for things to ramp up in the next 7-10 days. Also, Illinois just went to complete statewide shut down and she thinks Wisconsin is going to it soon. Therefore, this may be the last opportunity to be at church for a while.

She also stressed if you are feeling any symptoms or feel you have been compromised in any way, please refrain from coming. Of course, the real danger in this is that symptoms may not show up right away even though you have it. She said the real test is to take your temperature before thinking about coming. If it is over 100 or you have a cough, DO NOT COME. Also, if you are an older member, she would have strong reservations about you coming. It is the last thing I want is for anyone to get sick or potentially lead to someone else getting sick because of our meeting together. I will take my temperature before coming to church and if there is any suspicion of illness, we will cancel these services.

I have also gotten communication from the other area pastors and the rest of them are not holding any kind of official service at this time except by appointment. I don't know of any of them that are doing exactly what we are doing.

I really want to offer these services in faith to you through this time, not knowing how long this will go, so I am going to take every precaution necessary. I do still have a few spots open at this point for the half hour services.

2. Here is a communication below from Dawn Davis again about the PURE products. She is having a Zoom session tomorrow to give you info about the products they offer.

"I am still planning on holding the PURE informational presentation tomorrow but via Zoom. With most people being stuck in their homes, I am hopeful they will hop on! Below are the steps for anyone who would like to participate. Is this something Colleen could blast out tonight?

1. The Zoom app will need to be installed on your phone, tablet or computer. Go to the app store for your type of device (Apple or Android). This can be done ahead of time or right before the presentation.
2. At 1:30 pm tomorrow, March 21st, go in to the Zoom app. You may have to click "Join" at the top or it will take you directly to a page that says "JOIN MEETING". Please click on it. It will ask for the meeting ID. Enter 2146741488.
3. You will be able to view the meeting from your home!
4. The Immunity products will be talked about specifically, due to the current situation. I do hope you will be able to join."

3. We are still planning on taping the service tomorrow at 11:00 and putting it the website and on Facebook after that.

4. Here is your Scripture for the day.

Psalm 62:1-2, 5-8

"For God alone my soul waits in silence; from Him comes my salvation. He only is my rock and my salvation, my fortress; I shall not be greatly shaken. ...For God alone, O my soul, wait in silence, for my hope is from Him. He only is my rock and my salvation, my fortress, I shall not be shaken. On God rests my salvation and my glory; my mighty rock, my refuge is God. Trust in Him at all times, O people; pour out your heart before Him, God is a refuge for us."

Continued prayers in Christ for you,

Pastor Chris
